

City of Coweta  
BUSINESS APPRECIATION AWARD  
Nomination Form

The Coweta City Council has created a Business Appreciation Award to recognize the efforts of businesses located within the City of Coweta, Oklahoma. Many businesses in our community contribute time, money and/or equipment to help the local area while providing the best products and service to their customers. This dedication and community involvement is the hallmark of small businesses in the United States and, as such, should be recognized and appreciated by all. Based upon this, the Coweta City Council recognizes their efforts by presenting an award to a business owner(s) at a City Council meeting on a semiannual basis.

Criteria for the semiannual Business Award:

1. The business and/or service must be located within the City of Coweta.
2. The business and/or service must have exceptional customer service, as indicated by their customers.
3. The business and/or service has contributed to the community and/or a local charity.
